

Making the Most of Mealtimes **April 5, 2011** **2:00 - 4:00 p.m.** **ONLINE WEBINAR**

Hosted by the Seniors Health Research Transfer Network Nutrition Community of Practice, this webinar will provide insight on the mealtime experience in long-term care, from both a research and practice perspective. Dr. Heather Keller from the University of Guelph will present findings from her “Making the Most of Mealtimes” research program, while Manon Loubert will discuss the dining room experience at Résidence Saint Louis (part of Bruyère Continuing Care). Manon will be presenting in French, with English slides will be provided to compliment the presentation.
